SIERRA MADRE COMMUNITY FOUNDATION ANNOUNCES GRANTS

SIERRA MADRE, CA Sept. 27: The Sierra Madre Community Foundation recently awarded the following grants to local organizations:

- The Sierra Madre Rose Float Association received a grant to purchase new large and medium floral containers to help decorate the city's annual New Year's parade entry.
- The Sierra Madre Community Emergency Response Team received a grant to help complete its long-term storage project. The funds will be used for interior insulation, exterior painting and to install a new roof.
- The Sierra Madre Public Library received a grant to purchase a one-year movie license, allowing the facility to again show commercial movies, drawing in families, as well as youth programs in the spring and summer seasons.

Combined with earlier grants, the Community Foundation in 2022 has awarded more than \$20,000 to support local civic and community organizations, including the City of Sierra Madre's Mt. Wilson Trail Kids' Fun Run, Sierra Madre Search & Rescue, and various local school programs.

In addition to soliciting donations to support and enhance the community, the Sierra Madre Community Foundation assists other local community groups in the collection and distribution of their funds that enable ongoing program support and continued operations.
